HBC Parking Facilities

Due to planning restrictions on new buildings Horley Baptist Church has a limited number of parking spaces. As with all similar facilities we are required by planning regulations to encourage the use of public transport and car sharing. There are 30 marked parking bays which include 4 disabled, 1 parent/child and 1 motorcycle bays.

There are a further 12 parking bays which belong to Gracewell Care Home and should not be used by hirers. These are along the fence behind the Care Home and marked as 'Private Parking'

Please note parking is not guaranteed and priority is given to disabled and elderly users of the building as well as to parents with very young children. Parking may sometimes also be further restricted due to church activities or other concurrent uses and for this reason reserved areas of the HBC car park will be put in place when necessary.

Parking Restrictions

Users of HBC are encouraged to use alternative parking when the building is busy—details of local pay & display car parks overleaf.

Users are requested to be mindful of local residents if parking in the neighbouring roads. Please do not block resident's access to driveways.

Court Lodge Road is a busy bus route and we request that there should be no road parking on the bends approaching the HBC site from either side or on the road running along the boundary wall of the site.
